Dear Ehud,

Quite some time has passed since we last heard from each other and I hope you are well. During our meeting last year, I have been able to present our project CHALLENGE FUTURE to you briefly. It is a platform of dialogue, dealing with current subjects. During the last few years, high-ranking personalities of public life have been our guests in Bochum, among them His Holiness the Dalai Lama, the Czech President Vaclav Klaus, President Jimmy Carter, Lech Walesa, Mikhail Gorbachev, Prince Albert II. of Monaco, writer and Nobel Prize laureate Orhan Pamuk and Martin Schulz, the President or European Parliament.

The project is supported by a board, also consisting of high-ranking personalities. With some of our board members I will be travelling to Israel from **June 13 – 16**: Dirk Niebel (former Federal Minister), Dr. Jürgen Rüttgers (former Prime Minister of North Rhine-Westphalia and former Federal Minister), Peter Maffay (musician and activist), Reinhold Robbe (President of the German-Israeli Association/DIG), Rudolf Dreßler (former Ambassador), Franz Alt (journalist and writer). All of them are working in the free enterprise sector now and are eager to collect information regarding the status quo of the Middle East conflict as well as the German-Israeli relationships.

We would very much like to meet you during our trip and I am convinced that there would also be other important aspects to talk about. Our board members would be happy to discuss possible synergies and do some business networking. It would be great if you found the time to receive the delegation.

If you have further questions, please do not hesitate to contact me any time.

All the best and many thanks,
Sascha
